

Removing Obstacles

A workshop to set you free!

What's It All About

This workshop is for those owners and managers that know something isn't quite right with their business, but cannot pin-point exactly what it is. We all have those times when we know something needs to change but we don't know where to begin.

Using a variety of coaching techniques and my NLP Practitioner experience, this workshop aims to support you in identifying exactly what is stopping you from progressing, and finding the options available to either make necessary changes to or eliminate completely, those obstacles.

Benefits to You and Your Business

- Identify what is holding your business back
- Having steps in place to remove obstacles that no longer serve you or your business
- Having a clear pathway to achieve your business objectives
- Strategies to remove obstacles, that can be used for future situations

What Will We Be Working On

- Identifying the real from imagined blocks by looking at:
 - Current business practices and their impact
 - Uncovering your vision for your business by enhancing your creative thinking
 - Your current motivation and discipline levels
 - Your role in the business and how you can be more for your business
