

Early Year Business Growth

A workshop to get you started!

What's It All About

You have set up your business, you have a plan in place of where you want it to be, and by when, but you're struggling to bring the business in.

The first few years of setting up a business are filled with ecstatic highs and dive-bomb lows, but one thing you should not have to worry about is where to find your next income source. This workshop focuses on supporting young businesses in identifying the potential opportunities surrounding them.

Benefits to You and Your Business

- Growth in the early years of your business cycle
- Streamline your search for new business
- Increasing income capacity
- Increased knowledge on how to identify opportunities when they present themselves

What Will We Be Working On

- Positioning your business to give it the best possible start
- How you inform and engage with potential clients
- Identifying customer expectations and how to surpass them
- Identify your target market
 - Where to find them
 - How to reach them
 - How to get them on your books
