

## How to Make Your Business Work for You

### A workshop to expand your horizon!

#### What's It All About

You know what your vision is for your business right? But you lost sight of it somewhere along the way and now you don't know how to get back on track. If this sounds like you this workshop is what you are looking for to bring you back to focus.

During this workshop you will re-establish your business intent and purpose by recreating your business vision to align with your personal goals.

#### Benefits to You and Your Business

- Helps your business to grow and develop
- Ensures you plan effectively to move your business forward
- Consider a business plan from a different perspective
- Challenge your existing thoughts and decisions

#### What Will We Be Working On

- Turning your vision into reality by creating a road-map
- Providing clarity and focus on your alternative business plan
- How & what needs to be done in the following areas:
  - Marketing
  - Sales
  - Operations
  - People
  - Logistics
  - Administration
  - Finance
- Identifying key milestones in the development of your business
- Information gathering on how your business expects to achieve its aims
